Living costs in New Zealand are expensive compared to India. It is important that you have enough money to live on. In addition to your accommodation costs, you will need at least an additional NZ\$400 (USD \$200) per month for books, stationery, bus fares, living expenses and health insurance. If you pay for your own accommodation in New Zealand, you may need up to NZ\$1,000 (USD \$450) per month for accommodation and the living costs above. Do you understand this?
